## 500 Miles – The Proclaimers

When I wake up, yeah, I know I'm gonna be,  
I'm gonna be the man who wakes up next to you.  
When I go out, yeah, I know I'm gonna be,  
I'm gonna be the man who goes along with you.

If I get drunk, well I know I'm gonna be,  
I'm gonna be the man who gets drunk next to you.  
And if I haver, yeah, I know I'm gonna be,  
I'm gonna be the man who's havoring to you.

### [chorus]

But I would walk 500 miles  
and I would walk 500 more,  
Just to be the man who walked 1,000 miles  
to fall down at your door.

When I'm working, yeah, I know I'm gonna be,  
I'm gonna be the man who's working hard for you.  
And when the money, comes in for the work I do  
I'll pass almost every penny on to you.

When I come home, oh I know I'm gonna be,  
I'm gonna be the man who comes back home to you.  
And if I grow old, well, I know I'm gonna be,  
I'm gonna be the man who's growing old with you.

### [repeat chorus]

Ta la la ta (ta la la ta), ta la la ta (ta la la ta),  
la la la ta, la la la la la ta, la la la la la  
Ta la la ta (ta la la ta), ta la la ta (ta la la ta),  
la la la ta, la la la la la ta, la la la la la

When I'm lonely, well, I know I'm gonna be,  
I'm gonna be the man who's lonely without you.  
And when I'm dreaming, well, I know I'm gonna dream,  
I'm gonna dream about the time when I'm with you.

When I go out, well I know I'm gonna be,  
I'm gonna be the man who goes along with you.  
And when I come home, well I know I'm gonna be,  
I'm gonna be the man who comes back home to you.

I'm gonna be the man who's coming hoooooome to  
you.

## 9-5 – Dolly Parton

### [Intro - first 3 lines instrumental]

Tumble out of bed and I stumble in the kitchen,  
Pour myself a cup of ambition  
And yawn and stretch and try to come to life.

Jump in the shower and the blood starts pumping,  
Out on the street the traffic starts jumping  
With folks like me on the job from 9 to 5.

### [chorus]

Working 9 to 5, what a way to make a living,  
Barely getting by, it's all taking and no giving,  
They just use your mind and they never give you credit,  
It's enough to make you crazy if you let it.

9 to 5, for service and devotion,  
You would think that I would deserve a fair promotion,  
Want to move ahead but the boss won't seem to let me,  
I swear sometimes, that man is out to get me.

They let you dream just to watch them shatter,  
You're just a step on the boss man's ladder,  
But you've got dreams he'll never take away.

You're in the same boat with a lot of your friends,  
Waiting for the day your ship'll come in  
The tide's gonna turn and it's all gonna roll your way.

Working 9 to 5

yeah they've got you where they want you,  
There's a better life, and you dream about it don't you,  
It's a rich man's game, no matter what they call it,  
And you spend your life putting money in his pocket.

### [chorus]

Working 9 to 5, what a way to make a living,  
Barely getting by, it's all taking and no giving,  
They just use your mind and they never give you credit,  
It's enough to make you crazy if you let it.

9 to 5, for service and devotion,

## A Little Respect – Erasure

### [intro]

I try to discover  
A little something to make me sweeter  
Oh baby refrain...  
from breaking my heart

I'm so in love with you  
I'll be forever blue  
That you give me no reason  
Why you're making me work so hard

That you give me no  
Soul... I hear you calling  
Oh baby please... give a little respect to--oo me

And if I should falter  
Would you open your arms out to me  
We can make love not war  
And live in peace with our hearts

I'm so in love with you  
I'll be forever blue  
What religion or reason  
Could drive a man to forsake his lover

Don't you tell me no  
Soul... I hear you calling  
Oh baby please...  
give a little respect  
too-oo-oo-oo me

### [interlude/solo]

I'm so in love with you  
I'll be forever blue  
That you give me no reason  
Why you're making me work so hard

That you give me no that you give me no  
That you give me no that you give me no  
Soul... I hear you calling  
Oh baby please... give a little respect to--oo me (Soul)...  
I hear you calling  
Oh baby please... give a little respect to--oo me

## Africa - Toto

### [Intro]

I hear the drums echoing tonight  
But she hears only whispers  
of some quiet conversaaation

She's coming in twelve-thirty flight  
The moonlight wings reflect the stars that  
guide me toward salvaation

I stopped an old man along the way  
Hoping to find some old forgotten words  
or ancient melodies  
He turned to me as if to say  
"Hurry boy, it's waiting there for you"

### [Chorus]

Gonna take a lot to drag me away from you  
There's nothing that a hundred men or more could ever  
do  
I bless the rains down in Africa  
Gonna take some time to do the  
things we never haaaaad

The wild dogs cry out in the night  
As they grow restless longing for some solitary company

I know that I must do what's right  
Sure as Kilimanjoro rises like Olympus  
above the Serengeti

I seek to cure what's deep inside  
Frightened of this thing that I've become

### [Repeat Chorus]

...

Hurry boy she's waiting there for you

Gonna take alot to drag me away from you  
There's nothing that men or more could everdo  
I bless the rains down in Africa  
I bless the rains down in Africa (I bless...)  
I bless the rains down in Africa (aaah.... I bless)  
I bless the rains down in Africa  
I bless the rains down in Africa (aaah....)  
Gonna take some time to do the things we never haaaaad

## Ain't Nobody – Chaka Khan

### [intro]

Captured effortlessly. That's the way it was  
Happened so naturally, I did not know it was love  
The next thing I felt was you holding me close  
What was I gonna do? I let my self go  
And now we're flyin' through the stars  
I hope this night will last forever

I've been waitin' for you. It's been so long  
I knew just what I would do, when I heard your song  
Filled my heart with your bliss. Gave me freedom  
You knew I could not resist. I needed someone And now  
we're flyin' through the stars  
I hope this night will last forever Oh oh oh oh

### [Chorus]

Ain't nobody Loves me better  
Makes me happy... Makes me feel this way  
Ain't nobody Loves me better than you

I wait for night-time to come And bring you to me  
Can't believe I'm the one. I was so lonely  
I feel like no-one could feel. I must be dreamin'  
I want this dream to be real. I need this feelin'  
I make this wish upon a star  
And hope this night will last forever  
Oh oh oh oh

### [Chorus]

Ain't nobody Loves me better  
Makes me happy... Makes me feel this way  
Ain't nobody Loves me better than you

And first you put your arms around me  
Then you put your charms around me  
I can't resist this sweet surrender  
Oh my nights are warm and tender  
We stare into each other's eyes  
And what we see is no surprise  
Got a feeling most would treasure  
And a love so deep we cannot measure

### [Final Chorus]

Ain't nobody Loves me better  
Makes me happy... Makes me feel this way  
Ain't nobody Loves me better than you

### [Intro] (x2)

### [verse1]

Well, my friends; the time has come,  
To raise the roof and have some fun.  
Throw away, the work to be done; let the music play on.  
Everybody sing, everybody dance;  
Lose yourself in wild romance.

We're going to; party, Karamu, Fiesta, forever;  
Come on and sing along.  
We're going to; party, Karamu, Fiesta, forever;  
Come on and sing along.

### [chorus]

All night long, (*all night*), all night, (*all night*).  
All night long, (*all night*), all night, (*all night*).  
All night long, (*all night*), all night, (*all night*).  
All night long, (*all night*), all night, (*all night*).

**[verse 2]** People dancing, all in the streets,  
See the rhythm flow, in their feet.  
Life is cool, wild and sweet; let the music play on.  
Feel it in your heart and feel it in your soul;  
Let the music take control.

We're going to; party, liming, fiesta, forever;  
Come on and sing my song.

### [repeat chorus]

### [bridge]

Once you get started, you can't sit down.  
Come join the fun; it's a merry-go-round.  
Everyone's dancing their troubles a-way.  
Come join our party; see how we play.

### (clap)

Tom bo li de, say de moi ya, yeah, Jambo Jumbo.  
Way to parti', oh we goin', oh, jambali.

## Back For Good – Take That

### [intro]

### [verse 1]

I guess now it's time for me to give up  
I feel it's time.  
Got a picture of you beside me  
Got your lipstick mark still on your coffee cup.  
Oh yeah  
Got a fist of pure emotion,  
Got a head of shattered dreams  
Gotta leave it... gotta leave it all behind now

### [chorus]

Whatever I said, whatever I did I didn't mean it  
I just want you back for good  
want you back, want you back, want you back for good  
Whenever I'm wrong just tell me the song and I'll sing it  
You'll be right and understood  
want you back, want you back want you back for good

Unaware but underlined I figured out the story (no, no)  
It wasn't good. (No No)  
But in the corner of my mind (corner of my mind)  
I celebrated glory  
But that was not to be  
In the twist of separation  
you excelled at being free  
Can't you find (can't you find)

a little room inside for me

### [repeat chorus]

And we'll be together... (together) This time is forever  
We'll be fighting and forever we will be  
So complete in our love  
We will never be uncovered again

### [repeat chorus]

### [single strums]

I guess now it's time that you came back for good

## Bad Moon Rising - Creedence Clearwater Revival

### [intro]

I see the bad moon rising,  
I see trouble on the way  
I see earthquakes and lightning,  
I see bad times today

### [chorus]

Don't go around tonight,  
well it's bound to take your life  
There's a bad moon on the rise

I hear hurricanes blowing,  
I know the end is coming soon  
I fear rivers overflowing,  
I hear the voice of rage and ruin

### [repeat chorus]

Hope you got your things together,  
hope you are quite prepared to die  
Looks like we're in for nasty weather,  
one eye is taken for an eye

## Bad touch – Bloodhound Gang

### [intro – with bass]

### [verse 1]

Sweat baby sweat baby sex is a Texas drought  
Me and you do the kind of stuff  
that only Prince would sing about  
So put your hands down my pants and  
I'll bet you'll feel nuts  
Yes I'm Siskel, yes I'm Ebert  
and you're getting two thumbs up  
You've had enough of two-hand touch  
you want it rough you're out of bounds  
I want you smothered want you covered  
like my Waffle House hashbrowns  
Come quicker than FedEx never reach an apex  
like Coca-Cola stock  
you are inclined to make me rise an hour early  
just like Daylight Savings Time  
Do it now!

### [chorus]

You and me baby ain't nothin' but mammals  
So let's do it like they do on the Discovery Channel  
Do it again now!  
You and me baby ain't nothin' but mammals  
So let's do it like they do on the Discovery Channel  
Gettin' horny now!

### [break (With Kazoo)]

### [verse 2]

LOVE! The kind you clean up with a mop and bucket  
Like the lost catacombs of Egypt  
only God knows where we stuck it

Hieroglyphics? Let me be Pacific  
I wanna be down in your South Seas  
But I got this notion that the motion of your ocean  
means "Small Craft Advisory"

So if I capsizе on your thighs high tide, B-5  
you sunk my battleship  
Please turn me on I'm Mister Coffee  
with an automatic drip  
So show me yours I'll show you mine  
"Tool Time" you'll Lovett just like Lyle  
And then we'll do it doggy style  
so we can both watch "X-Files"

## Basket Case - Green Day

### [Intro - 2 Lines of verse]

Do you have the time, To listen to me whine  
About nothing and everything all at once  
I am one of those, Melodramatic fools  
Neurotic to the bone no doubt about it

Sometimes I give myself the creeps  
Sometimes my mind plays tricks on me  
It all keeps adding up  
I think I'm cracking up  
Am I just paranoid, Am I just stoned?

### [Instrumental Break]

I went to a shrink to analyze my dreams  
She says it's lack of sex that's bringing me down  
I went to a whore, He says my life's a bore  
So quit my whining 'cause it's bringing her down

Sometimes I give myself the creeps  
Sometimes my mind plays tricks on me  
It all keeps adding up  
I (F\*) think I'm (C\*) cracking up [\* = single strums]  
Am I just paranoid, Am I just stoned?

### [Instrumental Break]

Grasping to control, So I better hold on

### [Instrumental verse]

Sometimes I give myself the creeps

## Boys Don't Cry

### [Intro]

### [verse 1]

I would say I'm sorry if I thought that it would change  
your mind  
But I know that this time I have said too much been too  
unkind

I tried to laugh about it  
cover it all up with lies  
I try and laugh about it  
hiding the tears in my eyes because

### [chorus]

Boys don't cry  
Boys don't cry

### [verse 2]

I would break down at your feet And beg forgiveness  
Plead with you  
But I know that it's too late And now there's nothing I can  
do

I tried to laugh about it  
cover it all up with lies  
I try and laugh about it  
hiding the tears in my eyes because

Boys don't cry  
Boys don't cry

### [bridge]

Misjudged your limits  
I pushed you too far  
I took you for granted  
I thought that you needed me more

### [verse 3]

Now I would do most anything to  
get you back to my side  
But I just keep on laughing  
hiding the tears in my eyes, because

## Brown Eyed Girl - Van Morrison

[Intro – bass and riff]

Hey, where did we go?  
days when the rains came  
Down in the hollow  
playin' a new game  
Laughing and a - running, hey hey,  
Skipping and a - jumping  
In the misty morning fog with  
Our hearts a - thumping and you  
My brown-eyed girl  
You, my brown-eyed girl

Whatever happened  
to Tuesday and so slow  
Going down the old mine with a  
transistor radio  
Standing in the sunlight laughing  
Hiding behind a rainbow's wall  
Slipping and a - sliding  
All along the waterfall with you  
My brown-eyed girl  
You, my brown-eyed girl

[chorus]

Do you remember when...  
we used to sing:  
Sha la la la la la la la la te da

So hard to find my way,  
G) now that I'm all on my own  
I saw you just the other day,  
my, how you have grown  
Cast my memory back there, lord

Making love in the green grass  
Behind the stadium with you  
My brown-eyed girl

## California Dreaming – The Mamas and the Papas

### [intro]

All the leaves are brown  
And the sky is grey  
I've been for a walk  
On a winter's day  
I'd be safe and warm  
If I was in LA  
California dreamin'  
On such a winter's day

Stopped into a church  
I passed along the way  
Well I got down on my knees  
And I pretend to pray  
You know the preacher likes the cold  
He knows I'm gonna stay

California dreamin'  
On such a winter's day

### [instrumental]

All the leaves are brown  
And the sky is grey  
I've been for a walk  
On a winter's day  
If I didn't tell her  
I could leave today

California dreamin'  
On such a winter's day

## Can't Take My Eyes Off You - Frankie Valli

### [Intro: Instrumental verse with riff]

### [verse 1]

You're just too good to be true  
can't take my eyes off of you  
You'd be like heaven to touch  
I wanna hold you so much  
At long last love has arrived,  
and I thank God I'm alive  
You're just too good to be true,  
can't take my eyes off of you [Stop]

### [verse 2]

Pardon the way that I stare  
there's nothing else to compare  
The sight of you leaves me weak  
there are no words left to speak  
But if you feel like I feel,  
please let me know that it's real,  
You're just too good to be true  
can't take my eyes off of you [Stop]

### [chorus]

### [Instrumental pre-chorus]

da-da-da-da da-da-da-da...

### [Vocal chorus]

I love you, baby, and if it's quite all right  
I need you baby to warm the lonely nights

I love you baby, trust in me when I say

Oh pretty baby, don't bring me down I pray  
Oh, pretty baby, now that I've found you, stay  
And let me love you baby, let me love you

### [verse 3]

You're just too good to be true  
can't take my eyes off of you  
You'd be like heaven to touch

## Common People - Pulp

### [intro]

She came from Greece she had a thirst for knowledge  
She studies sculpture at St. Martin's College  
That's where I caught her eye  
She told me that her dad was loaded  
I said "In that case I'll have a rum and coca-cola"  
She said "fine" and in a thirty seconds time she said

"I want to live like common people  
I want to do whatever common people do  
I want to sleep with common people  
I want to sleep with common people like you"  
Well what else could I do?  
I said "I'll see what I can do"

I took her to a supermarket  
I don't know why but I had to start it some where  
So it started there

I said "Pretend you've got no money"  
She just laughed and said "Oh, you're so funny"  
I said "Yeah, well I can't see anyone else smiling in here"

Are you sure you want to live like common people  
You want to see whatever common people see  
You want to sleep with common people  
You want to sleep with common people like me  
But she didn't understand  
she just smiled and held my hand

Rent a flat above a shop, cut your hair and get a job  
Smoke some fags and play some pool  
pretend you never went to school  
But still you'll never get it right  
Coz when you're laid in bed at night  
watching roaches climb the wall  
if you called your dad he could stop it all

You'll never live like common people  
You'll never do whatever common people do  
You'll never fail like common people  
You'll never watch your life slide out of view  
And dance and drink and screw  
because there's nothing else to do

### [Instrumental verse]

Sing along with the common people  
Sing along and it might just get you through  
Laugh along with the common people  
Laugh along even though they are laughing at you  
And the stupid things that you do  
Because you think that poor is cool

I want to live with common people like you **[x6 ]**  
Yooou La la la la la **[x3]**  
like you

## Country House - Blur

### [Intro instrumental for half a verse]

City dweller, successful fella  
thought to himself, oops, I've got a lot of money  
Caught in a rat race terminally  
I'm a professional cynic but my heart's not in it  
I'm paying the price of living life at the legal limit  
caught up in the centuries anxiety  
Yes, it preys on him, he's getting thin

Now he lives in a house, a very big house in the country  
Watching afternoon repeats  
And the food he eats in the country  
He takes all manner of pills  
And piles up analyst bills in the country  
Oh, it's like an animal farm  
Lots of rural charm in the country

He's got morning glory, & life's a different story  
Everything's going Jackanory  
In touch with his own mortality  
He's reading Balzac, knocking back Prozac  
It's a helping hand that makes you feel wonderfully  
Bland, oh, it's the centuries remedy  
For the faint at heart, a new start

He lives in a house, a very big house in the country  
He's got a fog in his chest  
so he needs a lot of rest in the country  
He doesn't drink, smoke, laugh  
he takes herbal baths in the country

oh, it's like animal farm  
but you'll come to no harm, in the country

In the country, In the country, In the country!

Blow, blow me out I am so sad I don't know why  
Blow, blow me out I am so sad I don't know why

Now he lives in a house, A very big house in the country  
Watching afternoon repeats  
And the food he eats in the country  
He takes all manner of pills  
And piles up analyst bills in the country  
Oh, it's like an animal farm  
Lots of rural charm in the country

### [Intro: first 2 lines of chords]

When you were here before  
couldn't look you in the eye

I wish I was special  
you're so very special

### [chorus]

But I'm a creep  
I'm a weirdo  
What the hell am I doing here  
I don't belong here

### [verse 2]

## Dancing in the Dark – Bruce Springsteen

### [intro with riff]

I get up in the evening and I ain't got nothing to say  
I come home in the morning  
I go to bed feeling the same way  
I ain't nothing but tired man  
I'm just tired and bored with myself  
Hey there baby, I could use just a little help

You can't start a fire  
you can't start a fire without a spark  
This gun's for hire  
even if we're just dancing in the dark

Messages keep getting clearer  
radio's on and I'm moving 'round the place  
I check my look in the mirror  
wanna change my clothes my hair my face  
Man I ain't getting nowhere  
I'm just living in a dump like this  
There's something happening somewhere  
Baby I just know that there is

You can't start a fire  
You can't start a fire without a spark  
This gun's for hire  
even if we're just dancing in the dark

### [bridge]

You sit around getting older  
there's a joke here somewhere and it's on me  
I'll shake this world off my shoulders  
come on baby the laugh's on me

Stay on the streets of this town,  
and they'll be carving you up all right  
They say you gotta stay hungry  
hey Baby, I'm just about starving tonight!  
I'm dying for some action,  
I'm sick of sitting 'round here trying to write this book  
I need a love reaction,  
come on baby give me just one look

You can't start a fire  
sitting round crying over a broken heart  
This gun's for hire  
even if we're just dancing in the dark  
You can't start a fire  
worrying about your little world falling apart  
This gun's for hire  
even if we're just dancing in the dark

## Delilah – Tom Jones

### [intro]

I saw the light on the night that I passed by her window  
I saw the flickering shadows of love on her blind  
She was my woman  
As she deceived me, I watched and went out of my mind

My my my Delilah  
Why why why Delilah?  
I could see that girl was no good for me  
But I was lost like a slave, that no man could free

### [Instrumental verse]

At break of day when that man drove away I was waiting  
I crossed the street to her house and she opened the door  
She stood there laughing  
Then I saw the knife in my hand and she laughed no more

My my my Delilah  
Why why why Delilah?  
So before they come to break down the door  
Forgive me Delilah I just couldn't take any more

Forgive me Delilah  
I just couldn't take any more

## Don't Look Back In Anger — Oasis

Slip inside the eye of your mind  
Don't you know you might find  
a better place to play  
You said that you'd never been  
But all the things that you've seen,  
slowly fade away

So I start a revolution from my bed,  
'Cause you said the brains I had went to my head  
Step outside the summertime's in bloom  
Stand up beside the fireplace  
take that look from off your face  
'Cause you ain't ever gonna burn my heart out. **(G..)**

So Sally can wait, she knows it's too late  
As we're walking on by.  
Her soul slides away, But don't look back in anger  
I heard you say

Take me to the place where you go,  
Where nobody knows, if it's night or day  
Please don't put your life in the hands  
Of a rock and roll band who'll throw it all away

Gonna start a revolution from my bed,  
'Cause you said the brains I had went to my head  
Step outside the summertime's in bloom  
Stand up beside the fireplace,  
take that look from off your face  
'Cause you ain't ever gonna burn my heart out

So Sally can wait, she knows it's too late  
As we're walking on by.  
My soul slides away,  
But don't look back in anger  
I heard you say

**[solo]**

So Sally can wait, she knows it's too late  
As we're walking on by.  
Her soul slides away, But don't look back in anger  
I heard you say.

So Sally can wait, she knows it's too late  
As we're walking on by  
Her soul slides way

**(slowly)**

## Don't stop me now - Queen

Tonight I'm gonna have myself a real good time  
I feel al-i-i-iive and the world... turning inside out yeah  
and floating around in ecstasy so

don't stop me now

Don't stop me 'cause I'm

having a good time, having a good time.

I'm a shooting star leaping through the sky

like a tiger, defying the laws of gravity

I'm a racing car passing by, like lady Godiva

I'm gonna go... go... go... go... there's no stopping me

I'm burning through the sky yeah

two hundred degrees

that's why they call me Mister Fahrenheit

I'm travelling at the speed of light

I wanna make a supersonic man out of you

Don't stop me now...

I'm having such a good time I'm having a ball

Don't stop me now!

if you wanna have a good time just give me a call

Don't stop me cause I'm having a good time

Don't stop me yes I'm having a good time

I don't want to stop at all

I'm a rocket ship on my way to mars

on a collision course

I am a satellite... I'm out of control

I'm a sexmachine ready to reload... like an atombomb

about to oh... oh... oh... oh... oh... explode

I'm burning through the sky yeah

two hundred degrees

that's why they call me Mister Fahrenheit

I'm travelling at the speed of light

I wanna make a supersonic man out of you

Don't stop me... don't stop me... don't stop me

hey hey hey

Don't stop me... don't stop me... ooh ooh ooh

Don't stop me... don't stop me...

have a good time (good time)

Don't stop me... don't stop me... Ahhhh

**[solo]**

I'm burning through the sky yeah

two hundred degrees

that's why they call me Mister Fahrenheit

I'm travelling at the speed of light

I wanna make a supersonic man out of you

## Don't Stop Believin' – Journey

### [intro]

Just a small town girl  
living in a lonely world  
She took the midnight train going anywhere  
Just a city boy  
born and raised in south Detroit  
He took the midnight train going anywhere

A singer in a smoky room  
A smell of wine and cheap perfume  
For a smile they can share the night,  
it goes on and on and on and on

Strangers, waiting  
up and down the boulevard  
Their shadows searching in the night  
Streetlight people  
living just to find emotion  
Hiding, somewhere in the night

Working hard to get my fill...  
everybody wants a thrill  
Paying anything to roll the dice just one more time

Some will win  
some will lose...  
some were born to sing the blues  
Oh, the movie never ends  
it goes on and on and on and on

Strangers, waiting  
up and down the boulevard  
Their shadows searching in the night  
Streetlight people  
living just to find emotion  
Hiding somewhere in the night

Don't stop believing  
hold on to the feeling  
Streetlight people (oh-oh-oh...)

Don't stop believing  
hold on to the feeling  
Streetlight people

Don't stop

## Don't You Want Me – Human League

### [instrumental intro]

You were working as a waitress in a cocktail bar  
When I met you  
I picked you out, I shook you up, and turned you around  
Turned you into someone new  
Now five years later on you've got the world at your feet  
Success has been so easy for you  
But don't forget it's me who put you where you are now  
And I can put you back down too

Don't, don't you want me?  
You know I can't believe it  
when I hear that you won't see me  
Don't, don't you want me?  
You know I don't believe you  
when you say that you don't need me

It's much too late to find  
You think you've changed your mind  
You'd better change it back or we will both be sorry

Don't you want me baby?  
Don't you want me oh-oh-oh  
Don't you want me baby?  
Don't you want me oh-oh-oh

I was working as a waitress in a cocktail bar  
That much is true  
But even then I knew I'd find a much better place  
Either with or without you

The five years we have had have been such good times  
I still love you  
But now I think it's time I lived my life on my own  
I guess it's just what I must do

Don't, don't you want me?  
You know I can't believe it  
when I hear that you won't see me  
Don't, don't you want me?  
You know I don't believe you  
when you say that you don't need me

It's much too late to find  
You think you've changed your mind  
You'd better change it back or we will both be sorry

Don't you want me baby?  
Don't you want me ohhh  
Don't you want me baby?  
Don't you want me ohhh

Don't you want me baby?  
Don't you want me ohhh  
Don't you want me baby?  
Don't you want me ohhh

## Dreaming Of You — The Coral

It's up in my heart when it skips a beat  
Can't feel no pavement right under my feet

Up in my lonely room  
When I'm dreaming of you  
Oh what can I do  
I still need you,  
but I don't want you now

When I'm down and my hands are tied  
I cannot reach a pen for me to draw the line  
From this pain I just can't disguise  
Its gonna hurt but I'll have to say goodbye

Up in my lonely room When I'm dreaming of you  
Oh what can I do I still need you, but  
I don't want you now

[instrumental verse]

Ooooooh ooooooh Ooooooh ooooooh,

Up in my lonely room  
When I'm dreaming of you  
Oh what can I do  
I still need you  
but I don't want you now

## Faith – George Michael

### [Intro chords – Sing when it stops]

Well I guess it would be nice  
if I could touch your body  
I know not everybody has got a body like you.

But I've got to think twice  
before I give my heart away,  
And I know all the games you play  
because I play them too

Oh but I need some time off from that emotion  
Time to pick my heart up off the floor, oh  
When that love comes down without devotion,  
well it Takes a strong man baby  
but I'm showin' you the door

### [chorus]

Because I gotta have faith  
I gotta have faith  
Because I gotta have faith faith faith,  
I gotta have faith

Baby, I know you're asking me to stay  
Say please, please, please don't go away,  
You say I'm giving you the blues.  
Maybe, huh, you mean every word you say  
I can't help but think of yesterday  
And a lover who tied me down to the lover boy rules

Before this river becomes an ocean  
Before you throw my heart back on the floor,  
Oh, oh baby I'll reconsider my foolish notion  
Well I need someone to hold me but I'll  
Wait for something more...

Because I gotta have faith, I gotta have faith  
Because I gotta have faith faith faith, I gotta have faith

Before this river becomes an ocean  
Before you throw my heart back on the floor,  
Oh, oh baby I'll reconsider my foolish notion  
Well I need someone to hold me but I'll  
Wait for something more

Because I gotta have faith  
I gotta have faith  
Because I gotta have faith faith faith,  
I gotta have faith

## Friday I'm In Love - The Cure

I don't care if Monday's blue  
Tuesday's grey and Wednesday too  
Thursday I don't care about you  
It's Friday I'm in love

Monday you can fall apart  
Tuesday, Wednesday break my heart  
Thursday doesn't even start  
It's Friday I'm in love

Saturday wait!  
and Sunday always comes too late  
but Friday never hesitate

I don't care if Monday's black  
Tuesday, Wednesday heart attack  
Thursday never looking back  
It's Friday I'm in love

### [Instrumental verse]

Monday you can hold your head  
Tuesday, Wednesday stay in bed

### [bridge]

Dressed up to the eyes  
it's a wonderful surprise  
to see your shoes and your spirits rise

Throwing out your frown, and just smiling at the sound  
and as sleek as a shriek, spinning round and round

Always take a big bite, it's such a gorgeous sight  
to see you eat in the middle of the night

You can never get enough, enough of this stuff,  
It's Friday, I'm in love

I don't care if Monday's blue  
Tuesday's grey and Wednesday too  
Thursday I don't care about you

### [Spoken 1<sup>st</sup> line]

This is a song for the ladies but fellas listen closely

You don't always have to fuck her hard  
In fact sometimes that's not right, to do  
Sometimes you've got to make some love  
And fucking give her some smooches too

Sometimes you got to squeeze  
Sometimes you got to say "Please..."  
Sometimes you got to say "Hey..." **(Stop)**

I'm gonna fuck you... softly  
I'm gonna screw you... gently  
I'm gonna hump you... sweetly  
I'm gonna ball you... discreetly

And then you say "Hey I brought you flowers"  
And then you say "Wait a minute, Sally"  
"I think I got something' in my teeth  
could you get it out for me?"  
That's fucking team work!

What's your favourite posish?  
That's cool with me  
It's not my favourite but I'll do it for you

What's your favourite dish?

## Go Your Own Way – Fleetwood Mac

Loving you, isn't the right thing to do  
How can I, ever change things that I feel?  
If I could, maybe I'd give you my world  
How can I, when you won't take it from me?

### [Chorus]

You can go your own way  
Go your own way  
You can call it another lonely day  
You can go your own way

Packing up, shacking up is all you wanna do  
If I could, baby I'd give you my world  
Open up, everything's waiting for you

## Gold – Spandau Ballet

### [intro]

Thank you for coming home  
I'm sorry that the chairs are all gone  
I left them here, I could have sworn

These are my salad days  
slowly being eaten away  
It's just another play for today  
Oh but I'm proud of you, but I'm proud of you

There's nothing left to make me feel small  
Luck has left me standing so tall

### [chorus]

Gold!  
Always believe in your soul  
You've got the power to know  
You're indestructible... Always believe in  
Because you are gold!  
Glad that you're bound to return  
There's something I could have learned  
You're indestructible  
Always believe in

### [instrumental break]

After the rush has gone  
I hope you find a little more time  
Remember we were partners in crime

It's only two years ago  
the man with the suit and the pace  
You know that he was there on the case  
Now he's in love with you, he's in love with you

Your love is like a high prison wall  
But you could leave me standing so taa aa aa ll

## Happy – Pharrell Williams

It might seem crazy what I'm about to say  
Sunshine she's here, you can take a break  
I'm a hot air balloon that could go to space  
With the air, like I don't care baby by the way

Because I'm happy  
Clap along if you feel like a room without a roof  
Because I'm happy  
Clap along if you feel like happiness is the truth  
Because I'm happy  
Clap along if you know what happiness is to you  
Because I'm happy  
Clap along if you feel like that's what you wanna do

Here come bad news talking this and that, yeah,  
Well, give me all you got, and don't hold it back, yeah,  
Well, I should probably warn you I'll be just fine, yeah,  
No offense to you, don't waste your time  
Here's why

Because I'm happy  
Clap along if you feel like a room without a roof  
Because I'm happy  
Clap along if you feel like happiness is the truth  
Because I'm happy  
Clap along if you know what happiness is to you  
Because I'm happy  
Clap along if you feel like that's what you wanna do

### [Bridge] (clapping)

(Happy) Bring me down...can't nothing  
Bring me down... my level's too high  
Bring me down... can't nothing  
Bring me down... I said (let me tell you now)

Bring me down... can't nothing  
Bring me down... my level's too high  
Bring me down... can't nothing  
Bring me down... I said

Because I'm happy  
Clap along if you feel like a room without a roof  
Because I'm happy  
Clap along if you feel like happiness is the truth  
Because I'm happy  
Clap along if you know what happiness is to you

## Heaven – Bryan Adams

### [instrumental intro]

Oh... thinkin' about our younger years  
There was only you and me  
We were young and wild and free  
Now nothin' can take you away from me  
We've been down that road before  
But that's over now  
You keep me comin' back for more

### [chorus]

And baby, you're all that I want  
When you're lyin' here in my arms  
I'm findin' it hard to believe  
We're in heaven  
And love is all that I need  
And I found it there in your heart  
It isn't too hard to see  
We're in heaven

Oh... once in your life you find someone  
Who will turn your world around  
Bring you up when you're feelin' down  
Yeah... nothin' could change what you mean to me  
Oh there's lots that I could say  
But just hold me now  
Cause our love will light the way

### [chorus]

I've been waitin' for so long  
For somethin'... to arrive  
For love to come along  
Now our dreams are comin' true  
Through the good times and the bad  
Yeah, I'll be standin' there by you

### [solo]

### [chorus]

*(Heaven)* Whoah-oh-oh

You're all that I want... you're all that I need

## Heroes - David Bowie

### [instrumental intro]

I, I wish you could swim  
Like the dolphins, like dolphins can swim  
Though nothing, will keep us together  
We can beat them, forever and ever  
Oh we can be Heroes, just for one day

### [instrumental break]

I, I will be king  
And you, you will be my queen  
Though nothing will drive them away  
We can be Heroes, just for one day  
We can be us, just for one day

I, I can remember (*I remember*)  
Standing, by the wall (*by the wall*)  
And the guns, shot above our heads (*over our heads*)  
And we kissed, as though nothing could fall (*nothing could fall*)  
And the shame, was on the other side  
We can beat them, forever and ever  
Then we can be Heroes, just for one day

We can be Heroes  
We can be Heroes  
We can be Heroes

## Hey Jude - The Beatles

### [Instrumental Intro]

Hey Jude, don't make it bad,  
Take a sad song and make it better.  
Remember to let her into your heart  
then you can start, to make it better.

Hey Jude, don't be afraid,  
You were made to go out and get her.  
The minute you let her under your skin, then you begin  
To make it better.

And any time you feel the pain, hey Jude, refrain  
Don't carry the world upon your shoulders.  
For well you know that it's a fool who plays it cool  
By making his world a little colder,  
da da da daa daa daa da da daa Mmmm

Hey Jude, don't let me down,  
You have found her, now go and get her.  
Remember to let her into your heart,  
then you can start, to make it better.

So let it out and let it in, hey Jude, begin  
You're waiting for someone to perform with  
And don't you know that it's just you  
hey Jude, you'll do  
The movement you need is on your shoulder,  
da da da daa daa daa da da daa

Hey Jude, don't make it bad,  
Take a sad song and make it better.  
Remember to let her under your skin, then you'll begin  
To make it better, better, better, better, better, better oh.

Na na na na na na na  
Na na na na, Hey Jude  
(Repeat and fade.)

## Hot n Cold – Katy Perry

You change your mind, Like a girl changes clothes  
Yeah You change your mind, Like a girl I would know  
And you over think, Always speak, Cryptically  
I should know, That you're no good for me

### [chorus]

Cause you're hot then you're cold  
You're yes then you're no  
You're in then you're out  
You're up then you're down  
You're wrong when it's right  
It's black and it's white  
We fight, we break up  
We kiss, we make up

(you) You don't really want to stay, no  
(but you) But you don't really want to go-o  
You're hot then you're cold  
You're yes then you're no  
You're in then you're out  
You're up then you're down

We used to be, Just like twins, So in sync  
The same energy, Now's a dead battery,  
Used to laugh bout nothing, Now you're plain boring  
I should know that, You're not gonna change

### [repeat chorus]

### [instrumental break]

Someone call the doctor  
Got a case of a love bi-polar  
Stuck on a roller coaster  
can't get off this ride

You change your mind, Like a girl changes clothes

## I'm a Believer – The Monkees

### [intro riff]

I thought love was only true in fairy tales  
Meant for someone else but not for me  
Love was out to get me  
That's the way it seemed  
Disappointment haunted all my dreams

Then I saw her face  
Now I'm a believer  
Not a trace  
Of doubt in my mind  
I'm in love (*ooh*)  
I'm a believer  
I couldn't leave her If I tried

I thought love was more or less a given thing  
Seems the more I gave the less I got  
What's the use in trying?  
All you get is pain  
When I needed sunshine I got rain

Then I saw her face N  
Now I'm a believer  
Not a trace  
Of doubt in my mind  
I'm in love (*ooh*)  
I'm a believer!  
I couldn't leave her If I tried

### [wipeout instrumental]

What's the use in trying?  
All you get is pain  
When I needed sunshine I got rain

Then I saw her face  
Now I'm a believer  
Not a trace  
Of doubt in my mind  
I'm in love (*ooh*)

Now I've finally found someone to stand by me

There's no way we could disguise it secretly  
So we take each other's hand '  
cause we seem to understand the urgency  
Just remember

You're the one thing  
I can't get enough of  
So I'll tell you something  
this could be love because

## I Will Survive – Gloria Gaynor

### [intro]

At first I was afraid I was petrified,  
Kept thinkin' I could never live without you by my side.  
But then I spent so many nights thinkin'  
How you did me wrong,  
And I grew strong  
and I learned how to get along.

And so you're back from outer space  
I just walked in to find you here  
with that sad look upon your face  
I should have changed that stupid lock,  
I should have made you leave your key  
If I had known for just second  
you'd be back to bother me.

Go on now go, walk out the door,  
Just turn around now, cause you're not welcome anymore  
Weren't you the one who tried to hurt me with goodbyes?  
Did you think I'd crumble?  
Did you think I'd lay down and die?  
Oh no not I, I will survive  
For as long as I know how to love I know I'll stay alive.  
I've got all my life to live  
I've got all my love to give,  
And I'll survive, I will survive  
hey hey.

### [instrumental break]

It took all the strength I had not to fall apart,  
Kept trying hard to mend the pieces of my broken heart.  
And I spent oh so many nights  
just feeling sorry for myself  
I used to cry, but now I hold my head up high...

And you see me, somebody new;  
I'm not that chained up little person still in love with you.  
And so you felt like dropping in  
and just expect me to be free  
And now I'm savin' all my lovin'  
for someone who's lovin' me.

Go on now go, walk out the door  
Just turn around now, cause you're not welcome anymore  
Weren't you the one who tried to hurt me with goodbyes?  
Did you think I'd crumble?  
Did you think I'd lay down and die?  
Oh no not I, I will survive  
For as long as I know how to love I know I'll stay alive.  
I've got all my life to live  
I've got all my love to give,  
And I'll survive, I will survive  
hey hey.

## It Must Be Love – Labbi Siffre

### [intro]

I never thought I'd miss you  
Half as much... as I do  
And I never thought I'd feel this way  
The way I feel... about you  
As soon as I wake up... every night, every day  
I know that it's you I need  
To take the blues away

It must be love... love... love  
It must be love... love... love  
Nothing more  
Nothing less  
Love is the best

### [Instrumental break]

How can it be that we can  
Say so much without words  
Bless you and bless me  
Bless the bees... and the birds  
I've got to be near you... every night, every day  
I couldn't be happy  
Any other way

It must be love... love... love  
It must be love... love... love  
Nothing more

Nothing less  
Love is the best

### [instrumental break]

As soon as I wake up... every night, every day  
I know that it's you I need  
To take the blues away

## Jolene – Dolly Parton

### [intro]

Jolene, Jolene, Jolene, Jolene  
I'm begging of you please don't take my man  
Jolene, Jolene, Jolene, Jolene  
Please don't take him just because you can

Your beauty is beyond compare  
with flaming locks of auburn hair  
With ivory skin and eyes of emerald green  
Your smile is like a breath of spring  
your voice is soft like summer rain  
And I cannot compete with you Jolene

He talks about you in his sleep  
and there's nothing I can do to keep  
From crying when he calls your name Jolene  
Now I can easily understand  
how you could easily take my man  
But you don't know what he means to me Jolene

Jolene, Jolene, Jolene, Jolene  
I'm begging of you please don't take my man  
Jolene, Jolene, Jolene, Jolene  
Please don't take him just because you can

You can have your choice of men  
but I could never love again  
He's the only one for me Jolene

I had to have this talk with you  
my happiness depends on you  
And whatever you decide to do Jolene

Jolene, Jolene, Jolene, Jolene  
I'm begging of you please don't take my man  
Jolene, Jolene, Jolene, Jolene  
Please don't take him just because you can

Jolene, Jolene, Jolene, Jolene  
I'm begging of you please don't take my man

## Kids In America - Kim Wilde

Looking out a dirty old window  
Down below the cars in the city go rushing by  
I sit here alone and I wonder why  
Friday night and everyone's moving  
I can feel the heat but it's shooting heading down  
I search for the beat in this dirty town

Down town the young ones are going  
Down town the young ones are growing

We're the kids in America (*Wo-oh*)  
We're the kids in America (*Wo-oooh*)  
Everybody live for the music-go-round

Bright lights the music gets faster  
Look boy, don't check on your watch, Not another glance  
I'm not leaving now, honey not a chance  
Hot-shot, give me no problems  
Much later baby you'll be saying never mind  
You know life is cruel, life is never kind

Kind hearts don't make a new story  
Kind hearts don't grab any glory

We're the kids in America (*Wo-oh*)  
We're the kids in America (*Wo-oooh*)  
Everybody live for the music-go-round

Naa Naa Na Na Na Na  
Naa Naa Na Na Na Sing!  
Naa Naa Na Na Na Na  
Naa Naa Na Na Naaaaaaa (F 6 beats) (G 2 beats)

Come closer, honey that's better  
Got to get a brand new experience Feeling right  
Oh don't try to stop baby Hold me tight  
Outside a new day is dawning  
Outside Suburbia's sprawling everywhere  
I don't want to go baby, New York to East California  
There's a new wave coming I warn you

We're the kids in America (*Wo-oh*)  
We're the kids in America (*Wo-oooh*)  
Everybody live for the music-go-round

## Livin' On A Prayer – Bon Jovi

### [intro]

Tommy used to work on the docks  
Union's been on strike, he's down on his luck  
It's tough... so tough  
Gina works the diner all day  
Working for her man  
she brings home her pay for love...  
hmmm... for love

She says we've got to hold on  
to what we've got  
It doesn't make a difference if we make it or not  
We got each other and that's a lot  
For love, we'll give it a shot!  
Whoaah we're half way there  
Woah oh livin' on a prayer  
Take my hand, we'll make it I swear  
Whoah oh livin' on a prayer

Tommy's got his four-string in hock  
Now he's holding in... what he used to make it talk  
So tough... mmm... it's tough  
Gina dreams of running away  
When she cries in the night... Tommy whispers  
"Baby it's okay... someday"

She says we've got to hold on... to what we've got  
It doesn't make a difference if we make it or not  
We got each other and that's a lot  
For love, we'll give it a shot!  
Whoaah we're half way there  
Woah oh livin' on a prayer  
Take my hand... we'll make it I swear  
Whoah oh... livin' on a prayer.... livin' on a prayer

## Mamma Mia – Abba

### [intro]

I've been cheated by you since I don't know when  
So I made up my mind, it must come to an end  
Look at me now, will I ever learn?  
I don't know how but I suddenly lose control  
There's a fire with in my soul

Just one look and I can hear a bell ring  
One more look and I forget everything, o?o?o?oh  
Mamma mia, here I go again  
my my, how can I resist you?  
Mamma mia, does it show again?  
My my, just how much I've missed you  
Yes, I've been broken hearted  
blue since the day we parted  
Why, why did I ever let you go?  
Mamma mia, now I really know,  
My my, I could never let you go.

I've been angry and sad about the things that you do  
I can't count all the times that I've told you we're through  
And when you go, when you slam the door  
I think you know that you won't be away too long  
You know that I'm not that strong.

Just one look and I can hear a bell ring  
One more look and I forget everything, o-o-o-oh  
Mamma mia, here I go again  
my my, how can I resist you?  
Mamma mia, does it show again?  
My my, just how much I've missed you ,  
Yes, I've been brokenhearted  
blue since the day we parted  
Why, why did I ever let you go?  
Mamma mia, even if I say  
Bye bye, leave me now or never  
Mamma mia, it's a game we play  
Bye bye doesn't mean for ever

Mamma mia, here I go again  
my my, how can I resist you?  
Mamma mia, does it show again?  
My my, just how much I've missed you  
Yes, I've been brokenhearted  
blue since the day we parted

## Mr Brightside – The Killers

### [instrumental intro]

I'm coming out of my cage,  
And I've been doing just fine  
Gotta gotta be down, Because I want it all  
It started out with a kiss,  
How did it end up like this  
It was only a kiss, it was only a kiss

Now I'm falling asleep  
And she's calling a cab  
While he's having a smoke  
And she's taking a drag  
Now they're going to bed  
And my stomach is sick  
And it's all in my head,  
But she's touching his-chest now  
he takes off her dress, Now  
letting me go

And I just can't look its killing me  
And taking control  
Jealousy, turning saints into the sea,  
Swimming through sick lullabies  
Choking on your alibis  
But it's just the price I pay  
Destiny is calling me  
Open up my eager eyes, 'Cause I'm Mr Brightside

## Never Gonna Give You Up – Rick Astley

### [instrumental intro]

We're no strangers to love  
You know the rules and so do I  
A full commitment's what I'm thinking of  
You wouldn't get this from any other guy

I just wanna tell you how I'm feeling  
Gotta make you understand

### [chorus]

Never gonna give you up  
Never gonna let you down  
Never gonna run around and desert you  
Never gonna make you cry  
Never gonna say goodbye  
Never gonna tell a lie and hurt you

We've know each other for so long  
Your heart's been aching But you're too shy to say it  
Inside we both know what's been going on  
We know the game and we're gonna play it

And if you ask me how I'm feeling  
-Don't tell me you're too blind to see

### [chorus]

Ooohh give you up  
Ooohh give you up  
Never gonna give  
Never gonna give, give you up  
Never gonna give  
Never gonna give, give you up

We've know each other for so long  
Your heart's been aching But you're too shy to say it  
Inside we both know what's been going on

### [intro]

Start spreading the news  
I'm leaving today  
I want to be a part of it  
New York, New York

These vagabond shoes  
Are longing to stray  
Right through the very heart of it

I want to wake up  
In a city that doesn't sleep  
And find I'm king of the hill  
Top of the heap

These little town blues  
Are melting away  
I'll make a brand new start of it  
In old New York

If I can make it there  
I'll make it ... anywhere  
It's up to you

One way or another I'm gonna see ya,  
I'm gonna meet ya, meet ya, meet ya meet ya  
One day, maybe next week I'm gonna meet ya,  
I'm gonna meet ya, I'll meet ya

I will drive past your ho--use  
and if the lights are all down  
I'll see who is around

One way or another I'm gonna find ya,  
I'm gonna get ya, get ya, get ya get ya  
One way or another I'm gonna win ya  
I'm gonna get ya, get ya, get ya get ya  
One way or another I'm gonna see ya,  
I'm gonna meet ya, meet ya, meet ya meet ya  
One day, maybe next week I'm gonna meet ya,  
I'm gonna meet ya, I'll meet ya

And if the lights are all out  
I'll follow your bus down town  
See who's hanging out

One way or another I'm gonna lose ya,  
I'm gonna give you the slip  
A slip of the lip or another, I'm gonna lose ya  
I'm gonna trick ya, I'll trick ya  
One way or another I'm gonna lose ya,  
I'm gonna trick ya, trick ya, trick ya trick ya  
One way or another, I gonna lose ya  
I'm gonna give you the slip

### [instrumental break]

I'll walk down the mall, stand over by the wall  
Where I can see it all, find out who ya call  
Lead you to the supermarket check out some  
specials and rap then get lost in the crowd

## Purple Rain – Prince

I never meant to cause you any sorrow  
I never meant to cause you any pain  
I only wanted one time to see you laughing  
I only want to see you laughing in the purple rain

Purple rain Purple rain  
Purple rain Purple rain  
Purple rain Purple rain

I only want to see you bathing in the purple rain

I never wanted to be your weekend lover  
I only wanted to be some kind of friend  
Baby I could never steal you from another  
It's such a shame our friendship had to end

Purple rain Purple rain  
Purple rain Purple rain  
Purple rain Purple rain

I only want to see you underneath the purple rain

Honey I know, I know, I know times are changing  
It's time we all reach out for something new  
That means you too  
You say you want a leader  
But you can't seem to make up your mind  
I think you better close it  
And let me guide you to the purple rain

Purple rain Purple rain  
Purple rain Purple rain

If you know what I'm singing about up here  
C'mon raise your hand

Purple rain Purple rain

I only want to see you, only want to see you  
In the purple rain

## Rolling in the Deep - Adele

### [intro] [gently]

There's a fire starting in my heart  
Reaching a fever pitch and it's bringing me out the dark  
Finally I can see you crystal clear  
Go ahead and sell me out and I'll lay your ship bare  
See how I leave... with every piece of you  
Don't underestimate the things that I will do  
There's a fire starting in my heart  
Reaching a fever pitch and it's bringing me out the dark

The scars of your love remind me of us  
They keep me thinking that we almost had it all  
The scars of your love they leave me Breathless  
I can't help feeling  
we could have had it all  
rolling in the Deep  
you had my heart inside of your hand  
And you played it to the beat

Baby I have no story to be told  
But-I've-heard... one of you  
and I'm gonna make your head burn  
Think of me in the depths of your despair  
Making a home down there as mine sure won't be shared

The scars of your love  
remind me Of us  
they keep me thinking that we almost had it All  
the scars of your love they leave me Breathless  
I can't help feeling... we could have had it  
Aa-aa-all... rolling in the

Dee-ee-eep... you had my heart  
Inside of your hand  
And you played it to the beat

we could have had it All...  
rolling in the Deep...  
you had my heart Inside of your hand  
But you played it with it beating

**[claps]** Throw yourself through every open door  
Count your blessings... to find what you look for  
Turn my sorrow... into treasured gold  
And pay me back in kind... and reap just what you sow-ow

**[with backing vocals]** (*You're gonna wish you... never had met...*)

We could have had it aa-aa-all...  
we could have had it all... yeah  
It all... it all... it all... we could have had it

### **[stop backing vocals]**

A-aa-all... rolling in theDee-ee-eep...  
you had my heart insi-i-ide of your hand  
And you played it... to the beat... we could have had it  
Aa-aa-all... rolling in the  
Dee-ee-eep... you had my heart  
Insi-i-ide of your hand  
But you played it...  
you played it...  
you played it...  
you played it to the beat

## Sittin' On The Dock Of The Bay – Otis Redding

Sittin' in the mornin' sun,  
I'll be sittin' when the evenin' comes.  
Watchin' the ships roll in.  
Then, I'll watch 'em roll away-ay again.

### [chorus]

Sittin' on the dock of the bay, watchin' the tide roll away.  
Sittin' on the dock of the bay, wastin' time.

I left my home in Georgia,  
headed for the 'Frisco Bay.  
I had nothin' to live for.  
Looked like nothin' gonna come my way.

[chorus]

Sittin' on the dock of the bay, watchin' the tide roll away.  
Sittin' on the dock of the bay, wastin' time.

### [bridge]

Look like nothin's gonna change.  
Everything still remains the same.  
I can't do what ten people tell me to do.  
So, I guess I'll remain the same.

Sittin' here restin' my bones  
and this loneliness won't leave me alone.  
Two thousand miles I roamed,  
just to make this dock my home.

Sittin' on the dock of the bay, watchin' the tide roll away.  
Sittin' on the dock of the bay, wastin' time.

Sittin' on the dock of the bay, watchin' the tide roll away.  
Sittin' on the dock of the bay, wastin' time.

## Space Oddity – David Bowie

[intro]

Ground control to Major Tom  
Ground control to Major Tom  
Take your protein pills and put your helmet on

Ground control to Major Tom  
Commencing countdown engines on  
Check ignition and may God's love be with you

This is ground control to Major Tom  
you've really made the grade  
And the papers want to know whose shirt you wear  
Now it's time to leave the capsule if you dare

This is Major Tom to ground control  
I'm stepping through the door  
And I'm floating in a most peculiar way  
And the stars look very different today

For here am I floating round my tin can  
Far above the world  
Planet earth is blue and there's nothing I can do

Though I'm past one hundred thousand miles  
I'm feeling very still  
And I think my spaceship knows which way to go  
Tell my wife I love her very much  
she knows

Ground control to Major Tom  
your circuit's dead there's something wrong  
Can you hear me Major Tom?  
Can you hear me Major Tom?  
Can you hear me Major Tom? Can you...

Here am I sitting in a tin can  
Far above the moon  
Planet earth is blue and there's nothing I can do

## Starman – David Bowie

### [Intro]

Didn't know what time it was the lights were low.  
I lean back on my radio  
Some cat was laying down some rock'n'roll  
'Lotta soul' he said.

Then the loud sound did seem to fade  
Came back like a slow voice on a wave of phase  
That weren't no DJ that was hazy, cosmic jive

### [Chorus]

There's a starman waiting in the sky  
He'd like to come and meet us  
But he thinks he'd blow our minds.  
There's a starman waiting in the sky  
He's told us not to blow it  
'Cause he knows it all worthwhile  
He told me,  
"Let the children lose it, let the children use it,  
Let the children boogie."

### [Mid-section]

Well I had to phone someone so I picked on you-ou-ou  
Hey that's far out, so you heard him too-oo-oo  
Switch on the TV we may pick him up on Channel 2

Look out your window I can see his light  
If we can sparkle he may land tonight  
Don't tell your papa or he'll get us locked up in fright

### [Repeat Chorus twice]

## Stuck In The Middle With You - Stealers Wheel

### [instrumental intro with clapping]

Well I don't know why I came here tonight  
I got the feeling that something ain't right  
I'm so scared in case I fall off my chair  
And I'm wondering how I'll get down the stairs  
Clowns to the left of me, Jokers to the right,  
Here I am, Stuck in the middle with you

Yes I'm stuck in the middle with you  
And I'm wondering what it is I should do  
It's so hard to keep this smile from my face  
Losing control, yeah, I'm all over the place  
Clowns to the left of me, Jokers to the right  
Here I am, Stuck in the middle with you.

Well you started out with nothing  
and you're proud that you're a self-made-man  
And your friends they all come crawlin  
slap you on the back and say  
Please.... Please.....

Trying to make some sense of it all  
But I can see that it makes no sense at all  
Is it cool to go to sleep on the floor  
Cause I don't think that I can take anymore  
Clowns to the left of me, Jokers to the right  
Here I am, Stuck in the middle with you.

Well you started out with nothing  
and you're proud that you're a self-made-man  
And your friends they all come crawlin  
slap you on the back and say  
Please....  
Please.....

Well I don't know why I came here tonight  
I got the feeling that something ain't right  
I'm so scared in case I fall off my chair  
And I'm wondering how I'll get down the stairs  
Clowns to the left of me, Jokers to the right,

## Sunny Afternoon – The Kinks

### [intro]

The taxman's taken all my dough  
And left me in my stately home  
Lazin' on a sunny afternoon  
And I can't sail my yacht  
He's taken everything I've got  
All I've got's this sunny afternoon

Save me, save me, save me from this squeeze  
I got a big fat mama tryin' to break me  
And I love to live so pleasantly  
Live this life of luxury  
Lazin' on a sunny afternoon  
In the summertime  
In the summertime  
In the summertime

My girlfriend's run off with my car  
And gone back to her ma and pa  
Tellin' tales of drunkenness and cruelty  
Now I'm sittin' here  
Sippin' at my ice-cool beer  
Lazin' on a sunny afternoon

Help me, help me, help me sail away  
Or give me two good reasons why I oughta stay  
Cos I love to live so pleasantly  
Live this life of luxury  
Lazin' on a sunny afternoon

In the summertime In the summertime  
In the summertime

Ah Save me, save me, save me from this squeeze  
I got a big fat mama tryin' to break me  
And I love to live so pleasantly  
Live this life of luxury  
Lazin' on a sunny afternoon

## Sweet Child O Mine – Guns N Roses

### [Instrumental Intro]

She's got a smile that it seems to me  
Reminds me of childhood memories  
Where everything was as fresh as the bright blue sky  
Now and then when I see her face  
She takes me away to that special place  
And if I stare too long, I'd probably break down and cry

Whoa, oh, oh, sweet child o' mine  
Whoa, oh, oh, oh, sweet love of mine

She's got eyes of the bluest skies  
As if they thought of rain  
I'd hate to look into those eyes and see an ounce of pain  
Her hair reminds me of a warm, safe place  
Where as a child I'd hide  
And pray for the thunder and the rain  
to quietly pass me by

Whoa, oh, oh, sweet child o' mine  
Whoa, oh, oh, oh, sweet love of mine  
Whoa, oh, oh, sweet child o' mine  
Whoa, oh, oh, oh, sweet love of mine

### [End Section Instrumental]

Where do we go? Where do we go now? Where do we go?  
Where do we go? Where do we go now? Where do we go?  
Where do we go? Where do we go now? Where do we go?  
Where do we go? Where do we go now? Where do we go?

## Sweet Home Alabama - Lynnyrd Skynnyrd

### [Instrumental Intro]

Big wheels keep on turning  
Carry me home to see my kin  
Singing songs about the southland  
I miss'ole' 'bamy once again and I think it's a sin

### [Instrumental Break]

Well, I heard Mister Young sing about her  
Well, I heard ole Neil put her down.  
Well, I hope Neil Young will remember,  
A southern man don't need him around anyhow

Sweet home Alabama  
Where the skies are so blue  
Sweet home Alabama  
Lord, I'm coming home to you

### [Instrumental Break – 1 line]

In Birmingham they love the Gov'nor (*ooh ooh ooh*)  
Now we all did what we could do.  
Now Watergate does not bother me.  
Does your conscience bother you? Now tell the truth

Where the skies are so blue  
Sweet home Alabama  
Lord, I'm coming home to you

### [Instrumental Break – 1 line]

Now Muscle Shoals has got the Swampers  
And they've been shown to pick a song or two  
Lord they get me off so much  
They pick me up when I'm feeling blue  
now how about you?

Sweet home Alabama  
Where the skies are so blue  
Sweet home Alabama  
Lord, I'm coming home to you

## Tainted Love – Soft Cell

### [instrumental intro]

### [verse]

Sometimes I feel... I've got to  
Run away... I've got to  
Get away... from the pain you  
Drive into the heart of me

The love we share seems to  
Go nowhere  
And I've lost my light for I  
Toss and turn, I can't sleep at night

### [chorus]

Once I ran to you  
now I run from you  
This tainted love you're given  
I give you all a boy could give you  
Take my tears and that's not nearly all  
Tainted love, oh oh-oh  
Tainted love

Now I know... I've got to  
Run away... I've got to  
Get away... you don't  
Really want any more from me  
To make things right you need  
Someone... to hold you tight and you  
Think love is to pray but I'm

Sorry, I don't pray that way

Once I ran to you  
now I run from you  
This tainted love you're given  
I give you all a boy could give you  
Take my tears and that's not nearly all  
Tainted love, oh oh-o

Don't touch me please  
I cannot stand the way you tease  
I love you though you hurt me so  
Now I'm going to pack my things and go

Tainted love... oh oh-oh  
Tainted love... oh oh-oh  
Tainted love... oh oh-oh  
Tainted love... oh oh-oh  
Touch me baby... tainted love **[repeat and fade]**

## Take Your Mama – Scissor Sisters

### [intro]

When you grow up  
livin' like a good boy oughta  
And your mama takes a shine to her best son  
Something different  
all the girls they seem to like you  
Cause you're handsome  
like to talk and have a whole lot of fun

But now your girl's gone a-missin'  
And your house has got an empty bed  
The folks'll wonder 'bout the wedding  
They won't listen to a word you said

### [chorus]

Gonna take your mama out all night  
Yeah we'll show her what it's all about  
We'll get her jacked up on some cheap champagne  
We'll let the good times all roll out  
And if the music ain't good, well it's just too bad  
We're gonna sing along no matter what  
Because the dancers don't mind at the New Orleans  
If you tip 'em and they make a cut  
Do it... take your mama out all night  
So she'll have no doubt  
that we're doing oh the best we can  
We're gonna do it  
take your mama out all night  
You can stay up late 'cause baby you're a full grown man

It's a struggle  
livin' like a good boy oughta  
In the summer  
watching all the girls pass by  
When your mama  
heard the way that you'd been talkin'  
And tried to tell you that all she wants to do is cry

Now we end up taking the long way home  
Looking overdressed wearing buckets of stale cologne  
So hard to see streets on a country road  
When your glass is in the garbage  
And your Continental's just been towed

Gonna take your mama out all night  
Yeah we'll show her what it's all about  
We'll get her jacked up on some cheap champagne  
We'll let the good times all roll out  
And if the music ain't good, well it's just too bad  
We're gonna sing along no matter what  
Because the dancers don't mind at the New Orleans  
If you tip 'em and they make a cut  
Do it... take your mama out all night  
So she'll have no doubt

## The Final Countdown – Europe

### [Instrumental intro]

We're leaving together, but still it's farewell  
And maybe we'll come back to Earth, who can tell?  
I guess there is no one to blame  
We're leaving ground.  
Will things ever be the same again?

It's the final countdown.  
The final countdown.

We're heading for Venus (*Venus*)  
and still we stand tall,  
'Cause maybe they've seen us (*seen us*)  
and welcome us all?  
With so many light years to go  
And things to be found (*to be found*)  
I'm sure we will all miss her so. (stop)

It's the final countdown.  
The final countdown.

It's the final countdown.  
The final countdown.

## These Boots Are Made for Walkin' – Nancy Sinatra

### [intro – twiddly]

You keep sayin' you've got somethin' for me  
Somethin' you call love but confess  
You've been messin' where you shouldn't be messin',  
yeah!  
And now someone else is getting all your best

These boots are made for walkin'  
And that's just what they'll do  
One of these days these boots  
are gonna walk all over you

You keep lyin' when you ought to be truthin'  
And you keep losin' when you oughta not bet  
You keep samein' when you ought to be a-changin', yeah!  
Now what's right is right but you ain't been right yet

These boots are made for walkin'  
And that's just what they'll do  
One of these days these boots  
are gonna walk all over you

You keep playin' where you shouldn't be playin'  
And you keep thinkin' that you'll never get burned, ha!  
I just found me a brand new box of matches, yeah!  
And what he knows you ain't had time to learn

These boots are made for walkin'  
And that's just what they'll do  
One of these days these boots  
are gonna walk all over you

## Time Warp - Rocky Horror Show

### [verse 1]

It's astounding, time is fleeting  
Madness takes its toll  
But listen closely, not for very much longer  
I've got to keep control

I remember doing the Time Warp  
Drinking those moments when  
The blackness would hit me and the void would be calling  
Let's do the time warp again  
Let's do the time warp again

### [chorus]

It's just a jump to the left  
And then a step to the right  
With your hands on your hips  
You bring your knees in tight  
But it's the pelvic thrust that really drives you insane

Let's do the time warp again  
Let's do the time warp again

### [verse 2]

It's so dreamy, oh fantasy free me  
So you can't see me, No not at all  
In another dimension, with voyeuristic intention  
Well-secluded , I see all

With a bit of a mind flip, you're into the time slip  
And nothing can ever be the same  
You're spaced out on sensation, like you're under sedation  
Let's do the time warp again  
Let's do the time warp again

### [bridge]

Well I was walking down the street just a-having a think  
When a snake of a guy gave me an evil wink  
He shook me up, he took me by surprise  
He had a pickup truck and the devil's eyes.  
He stared at me and I felt a change  
Time meant nothing, never would again

Let's do the time warp again  
Let's do the time warp again

### [repeat chorus]

It's just a jump to the left  
And then a step to the right  
With your hands on your hips  
You bring your knees in tight  
But it's the pelvic thrust that really drives you insane

Let's do the time warp again  
Let's do the time warp again

## Titanium – David Guetta ft. Sia

### [intro]

You shout it out,  
But I can't hear a word you say  
I'm talking loud not saying much  
I'm criticized but all your bullets ricochet  
You shoot me down, but I get up

### [chorus]

I'm bulletproof, nothing to lose  
Fire away, fire away  
Ricochet, you take your aim  
Fire away, fire away  
You shoot me down but I won't fall  
I am titanium  
You shoot me down but I won't fall  
I am titanium  
I am titanium

### [instrumental]

Cut me down  
But it's you who'll have further to fall  
Ghost town and haunted love  
Raise your voice, sticks and stones may break my bones  
I'm talking loud, not saying much

### [chorus]

I'm bulletproof, nothing to lose  
Fire away, fire away  
Ricochet, you take your aim  
Fire away, fire away  
You shoot me down but I won't fall  
I am titanium  
You shoot me down but I won't fall  
I am titanium  
I am titanium

### [instrumental]

Stone-hard, machine gun  
Firing at the ones who run  
Stone-hard as bulletproof glass

You shoot me down but I won't fall  
I am titanium  
I am titanium  
I am titanium  
I am titanium

## Tribute – Tenacious D

### [instrumental intro]

This is the greatest and best song in the world... Tribute.  
Long time ago me and my brother Kyle here,  
We was hitchhikin' down a long and lonesome road.  
All of a sudden, there shined a shiny demon...  
In the middle of the road.

And he said:  
"Play the best song in the world, or I'll eat your souls."  
Well me and Kyle, we looked at each other,  
And we each said... "Okay"

And we played the first thing that came to our heads,  
Just so happened to be, The Best Song in the World,  
it was The Best Song in the World.

Look into my eyes and it's easy to see  
One and one make two, two and one make three,  
It was destiny.  
Once every hundred-thousand years or so,  
When the sun doth shine and the moon doth glow  
And the grass don't grow...

Needless to say, the beast was stunned.  
Whip-crack went his schwumpy tail,  
And the beast was done.  
He asked us: "Be you angels?"  
And we said, "Nay. We are but men!"

ROCK!  
Ahhh, ahhh, ahhh-ah-ah,  
Ohhh, whoah, ah-whoah-oh!

This is not The Greatest Song in the World.  
No, this is just a tribute.  
Couldn't remember The Greatest Song in the World.  
No, this is a tribute, oh.

To The Greatest Song in the World, All right!  
It was The Greatest Song in the World, All right!  
It was the best muthafuckin' song  
The greatest song in the world.

### [solo]

And the peculiar thing is this my friends:  
The song we sang on that fateful night,  
It didn't actually sound anything like this song.

This is just a tribute! You gotta' believe me!  
And I wish you were there! Just a matter of opinion.  
Ah, fuck! Good God, God lovin',  
So surprised to find you can't stop it.

All right! All right!

## Torn – Natalie Imbruglia

### [intro]

I thought I saw a man brought to life  
He was warm, he came around like he was dignified  
he showed me what it was to cry

Well you couldn't be that man I adored  
You don't seem to know, don't seem to care  
what your heart is for  
well I don't know him anymore

There's nothin' where he used to lie  
the conversation has run dry  
That's what's going on  
nothing's fine I'm torn

### [chorus]

I'm all out of faith  
This is how I feel  
I'm cold and I'm ashamed lying naked on the Floor  
illusion never cha-anged into something real  
I'm wide awake and I can see the perfect sky is torn

You're a little late  
I'm already torn

So I guess the fortune teller's right  
I should have seen just what was there  
and not some Holy light  
but you crawled beneath my veins and now  
I don't care I have no luck  
I don't miss it all that much  
There's just so many things that I can't touch

### [repeat chorus]

You're a little late  
I'm already torn... ... torn  
ooooh.... ooh ooh, ooh

### [single strums]

There's nothing where he used to lie... my inspiration has  
run dry  
That's what is goin' on.. nothin's right

### [chorus]

I'm all out of faith, this is how I feel  
I'm cold and I'm ashamed bound and broken on the floor  
You're a little late  
I'm already torn... ... torn...

## Trouble – Taylor Swift

Once upon a time, a few mistakes ago  
I was in your sights, you got me alone  
You found me, you found me, you found me-e-e-e-e

I guess you didn't care, and I guess liked that  
And when I fell hard, you took a step back  
Without me, without me, without meeeee

And he's long gone, when he's next to me and I  
Realize the blame is on me **[stop]**

### **[chorus]**

'Cause I knew you were trouble when you walked in  
So shame on me now-ow  
Flew me to places I'd never been  
'Till you put me down, oh

### **[Back to normal]**

I knew you were trouble when you walked in  
So shame on me now-ow  
Flew me to places I'd never been  
Now I'm lyin' on the cold hard ground!

Ahh oh oh, trouble, trouble, trouble  
Ahh oh oh, trouble, trouble, trouble

No apologies, he'll never see you cry  
Pretends he doesn't know, that he's the reason why  
You're drowning, you're drowning  
you're drowning-e-e-e-ing

And I heard you moved on, from whispers on the street  
A new notch in your belt, is all I'll ever be  
And now I see, now I see, now I see-e-e-e-e

He was long gone, when he met me  
And I realize, the joke is on me, yeah

### **[repeat chorus]**

### **[bridge]**

And the saddest fear, comes creepin' in  
That you never loved me or her,  
Or anyone, or anything, yeah yeah

### **[last chorus]**

I knew you were trouble when you walked in (*trouble,*  
*trouble, trouble*) x2

## Valerie – The Zutons

### [verse 1]

Well sometimes I go out by myself  
and I look across the water  
And I think of all the things that you're doing  
and in my head I make a picture.

### [chorus]

Cos since I've come on home  
well my body's been a mess.  
And I've missed your ginger hair  
and the way you like to dress.  
Won't you come on over? Stop making a fool of me  
Why won't you come on over Valerie? Valerie.

### [verse 2]

Did you have to go to jail?  
Put your house on up for sale?  
Did you get a good lawyer?  
I hope you didn't catch a tan  
I hope you find the right man who'll fix it for you.  
Are you shopping anywhere?  
Changed the colour of your hair?  
Are you busy?  
And did you have to pay the fine  
you were dodging all the time?  
Are you still dizzy?

### [chorus]

Cos since I've come on home  
well my body's been a mess.  
And I've missed your ginger hair  
and the way you like to dress.  
Won't you come on over? Stop making a fool of me  
Why won't you come on over Valerie? Valerie.

Well sometimes I go out by myself  
and I look across the water.  
And I think of all the things that you're doing  
and in my head I make a picture.

### [chorus]

Cos since I've come on home  
well my body's been a mess  
And I've missed your ginger hair  
and the way you like to dress.  
Won't you come on over?  
Stop making a fool out of me  
Why won't you come on over Valerie?  
Valerie?  
Valerie?  
Valerie?  
Valerie?  
Valerie?

Why won't you come on over valerie?

## Walking in Memphis – Mark Cohn

### [intro]

Put on my blue suede shoes and I  
Boarded the plane  
Touched down in the land of the Delta blues  
In the middle of the pouring rain

Double U. C. Handy  
Won't you look down over me  
Yeah, I got a first class ticket  
But I'm as blue as a boy can be

Then I'm walking in Memphis  
I was walking with my feet ten feet off of Beale  
Walking in Memphis  
But do I really feel the way I feel?

I saw the ghost of Elvis  
On U-u-union Avenue  
Followed him up to the gates of Graceland  
Then I watched him walk right through  
Now, security they did not see him  
They just hovered round his tomb  
But there's a pretty little thing... waiting for the King  
Down in the jungle room

Then I'm walking in Memphis  
I was walking with my feet ten feet off of Beale  
Walking in Memphis

But do I really feel the way I feel?

Now, they've got catfish on the table  
They've got gospel in the air  
And Reverend Green will be glad to see you  
When you haven't got a prayer  
But boy you got a prayer in Memphis

Now Muriel plays piano,  
Every Friday at the Hollywood  
And they brought me down to see her  
And they asked me if I would  
Do a little number  
And I sang with all my might  
She said, "Tell me are you a Christian, child?"  
And I said (F – single strum) "Ma'am, I am tonight!"

Then I'm walking in Memphis  
I was walking with my feet ten feet off of Beale  
Walking in Memphis, ,  
But do I really feel the way I feel?

Put on my blue suede shoes and I  
Boarded the plane  
Touched down in the land of the Delta blues  
In the middle of the pouring rain  
Touched down in the land of the Delta blues  
In the middle of the pouring rain

## We Are Family – Sister Sledge

### [intro with melody]

We are family  
I got all my sisters with me  
We are family  
Get up ev'rybody and sing

Ev'ryone can see we're together  
As we walk on by  
(Fly!) and we fly just like birds of a feather  
I won't tell no lie

(All!) all of the people around us they say  
Can they be that close  
Just let me state for the record  
We're giving love in a family dose  
[repeat chorus]

We are family  
I got all my sisters with me  
We are family  
Get up ev'rybody and sing

Living life is fun and we've just begun  
To get our share of the world's delights  
(High!) high hopes we have for the future  
And our goal's in sight

(We!) no we don't get depressed  
Here's what we call our golden rule  
Have faith in you and the things you do  
You won't go wrong  
This is our family jewel

## What's Up (What's Going On)- Four Non Blondes

### [intro]

Twenty Five years and my life is still  
Trying to get up that great big hill of hope  
For a destination  
I realized quickly when I knew that I should  
That the world was made of this brotherhood of man  
For whatever that means

And So I cry sometimes when I'm lying in bed  
Just to get it all out, whats in my head  
and I, I am feeling a little peculiar

So I wake in the morning and I step outside  
and I take a deep breath and I get real high and  
I scream at the top of my lungs whats going on?

And I said Hey ey-ey-ey-ey, Heyeyey  
I said Hey Whats going on?  
And I said Heyeyeyeyey, Heyeyey  
I said Hey Whats going on?

Ooh, Ooh Ooh  
And I try, oh my god do I try  
I try all the time, in this institution  
And I pray, oh my god do I pray  
I pray every single day  
For a revolution

And so I cry sometimes when I'm lying in bed  
Just to get it all out, whats in my head  
and I, I am feeling a little peculiar.

So I wake in the morning and I step outside  
and I take a deep breath and I get real high and  
I scream at the top of my lungs WHATS GOIN ON?

And I said Hey ey-ey-ey-ey, Heyeyey  
I said Hey Whats going on?  
And I said Heyeyeyeyey, Heyeyey  
I said Hey Whats going on?

Twenty Five years and my life is still  
Trying to get up that great big hill of hope  
For a destination

## Word up - Cameo

### [intro]

### [verse 1]

You pretty ladies around the world  
Got a weird thing to show you so tell all the boys and girls  
Tell your brother, your sister and your mama, too  
we're about to go down and you know just what to do  
Wave your hands in the air like you don't care  
Glide by the people as they start to look and stare  
Do your dance, do your dance, do your dance quick,  
mama  
Come on baby, tell me what's the word

Now - word up ,up, up everybody say  
When you hear the call you got to get it underway  
Word up! it's the code word  
no matter where you say it  
You'll know that you'll be heard

### [verse 2]

Now all you sucker DJs who think you're fly  
There's got to be a reason and we know the reason why  
You try to put on those airs and act real cool  
But you got to realise that you're acting like fools  
If there's music we can use it, we`re free to dance  
We don't have the time for psychological romance  
No romance, no romance, no romance for me, mama  
Come on baby, tell me what's the word

### [repeat chorus]

Now - word up, up, up everybody say  
When you hear the call you got to get it underway  
Word up, it's the code word, no matter where you say it  
You'll know that you'll be heard

## YMCA – The Village People

Young man, there's no need to feel down  
I said young man, pick yourself off the ground  
I said young man, cause you're in a new town  
There's no need to be unhappy.

Young man, there's a place you can go  
I said young man, When you're short on your dough  
you can stay there, and I'm sure you will find  
Many ways to have a good time.

### [chorus]

It's fun to stay at the YMCA.  
It's fun to stay at the YMCA,  
They have everything for young men to enjoy  
You can hang out with all the boys.  
It's fun to stay at the YMCA.  
It's fun to stay at the YMCA,  
You can get yourself cleaned  
you can have a good meal  
You can do whatever you feel.

Young man, are you listening to me, I said  
Young man, what do you want to be, I said  
Young man, you can make real your dreams,  
But you've got to know this one thing

No man does it all by himself  
I said young man, put your pride on the shelf  
and just go there, to the YMCA  
I'm sure they can help you today.

It's fun to stay at the YMCA.  
It's fun to stay at the YMCA,  
They have everything for young men to enjoy  
You can hang out with all the boys.  
It's fun to stay at the YMCA.  
It's fun to stay at the YMCA,  
You can get yourself cleaned  
you can have a good meal  
You can do whatever you feel.

Young man, I was once in your shoes  
I said I was down and out with the blues,  
I felt No man cared if I were alive  
I felt the whole world was so tight.  
That's when someone came up to me and said,  
"Young man, take a walk up the street  
there's a place there, called the YMCA  
They can start you back on your way.

It's fun to stay at the YMCA.  
It's fun to stay at the YMCA,  
They have everything for young men to enjoy  
You can hang out with all the boys.  
It's fun to stay at the YMCA.  
It's fun to stay at the YMCA,  
You can get yourself cleaned  
you can have a good meal  
You can do whatever you feel.

## You're the One that I Want – Grease

### [intro]

I got chills... they're multiplying  
And I'm losing control  
Cos the power... you're supplying  
It's electrifying  
You better shape up... cause I need a man  
And my heart is set on you  
You better shape up... you better understand  
To my heart I must be true  
Nothing left, nothing left for me to do

You're the one that I want (you are the one I want)  
Oo-oo-oo honey  
The one that I want (you are the one that I want)  
Oo-oo-oo honey  
The one that I want (you are the one that I want)  
Oo-oo-oo honey  
The one I need... oh yes indeed

If you're filled... with affection  
You're too shy to convey  
Better take... my direction  
Feel your way  
I better shape up... cos you need a man  
Who can keep you satisfied  
I better shape up... if I'm gonna prove  
That my faith is justified

Are you sure? Yes I'm sure down deep inside

You're the one that I want (you are the one I want)  
Oo-oo-oo honey  
The one that I want (you are the one that I want)  
Oo-oo-oo honey  
The one that I want (you are the one that I want)  
Oo-oo-oo honey  
The one I need... oh yes indeed

You're the one that I want (you are the one I want)  
Oo-oo-oo honey  
The one that I want (you are the one that I want)  
Oo-oo-oo honey  
The one that I want (you are the one that I want)  
Oo-oo-oo honey  
The one I need... oh yes indeed

## Ziggy Stardust – David Bowie

### [Intro]

Now Ziggy played guitar  
Jamming good with Weird and Gilly,  
And the Spiders from Mars.  
He played it left hand. But made it too far.  
Became the special man,  
Then we were Ziggy's band.  
Ziggy really sang, screwed up eyes and  
screwed down hairdo, like some cat from Japan.  
He could lick 'em by smiling,  
He could leave them to hang.  
They came on so loaded, man,  
well hung and snow white tan....

So where were the Spiders?  
While the fly tried to break our balls  
Just the beer light to guide us,  
So we bitched about his fans  
and should we crush his sweet hands?

Ziggy played for time,  
Jiving us that we were voodoo.  
The kids were just crass, He was the nazz,  
With God given ass. He took it all too far,  
But, boy, Could he play guitar!

Making love to his lego,  
Ziggy sucked up into his mind,  
Like a leper Messiah,  
When the kids had killed the man  
I had to break up the band!

Ziggy Played Guitar!
